**** FACTS Tuition Management Systems is an automated payment system. Families pre-authorize their bank or credit card company to automatically transfer funds to RTCA on the installment payment date as scheduled above. If monies are not available on the scheduled withdrawal date, FACTS will charge a \$30 fee for insufficient funds. FACTS will attempt a second withdrawal 5 days later and a third attempt 10 days later. After a third failed attempt, FACTS will make no further attempts to collect that tuition payment. A late fee of \$100 will then be charged by the school. Your child/children will not be permitted to attend school until all back payments and late fees are paid in full by cash, credit card, money order, or bank cashier's check. If tuition and fees continue to go unpaid, the account may be turned over to a collection agency. The school will not release any transcripts or provide school recommendation forms for any accounts remaining in delinquent status.**

- To abide by Reid Temple Christian Academy’s Tuition/Fee Policies, as follows:

- All families will be required to enroll in the FACTS Tuition Management System.
- Tuition payments are automatically withdrawn from your checking or savings account, or credit card, on the 5th, 10th, 15th, or 20th day of each month (as you have selected) through the FACTS Tuition Management System. If a lump sum payment is preferred, the payment is due on or before July 20, 2017. There is a nominal annual management fee charged directly by FACTS. This fee is automatically charged to your account with the first tuition automatic withdrawal.

- Additional fees may be added to your FACTS account as it becomes necessary, including late-pick up fees, after-care special fees, sports fees, etc. RTCA is authorized to make changes to FACTS accounts after authorization has been received in the office with change forms, event sign-ups, or other communications. FACTS will send notifications of any changes made to the account.
- No Kindergarten student, 5th grade student or 8th grade student will be permitted to attend graduation exercises or receive a diploma unless the family's tuition account is current and all checks have cleared the school's bank account. No exceptions.
- If you withdraw your child from the school prior to the end of the academic year, you will be required to pay a combined total of: a one thousand dollar (\$1,000) charge; the tuition for the full month in which you choose to withdraw your child; an additional month's tuition; and any other outstanding debts at the time of the withdrawal. Your total withdrawal fee must be paid in full at the time of withdrawal. Any refunds due will be paid within forty-five [45] days after the effective date of the withdrawal. Student records will not be transferred to another school until all debts are paid.
- If your child is expelled or withdrawn at the recommendation of the school, then you will be required to pay only the tuition for that current month and any other outstanding debts at the time of the withdrawal. Your total withdrawal fee must be paid in full within thirty [30] days from the time of expulsion or withdrawal upon the school's recommendation. Any refunds due will be paid within forty-five [45] days after the effective date of the withdrawal. Student records will not be transferred to another school until all debts are paid.
- Failure to meet the above-stated obligations or payment arrangements will result in action to refuse enrollment for subsequent years.
