1. Students can only opt out of the lunch program with a valid medical note from their doctor (must be renewed each year.)
2. Discounts are applied to the base tuition only. We are unable to apply discount to lunch because those costs are paid directly to the provider of the lunch program.
3. The enrollment fee is \$600 per student and does not offset the tuition for the year.
4. The endowment fee is a one-time fee paid by all new families and is paid per family, not per child.
5. All families are required to set up a FACTS account to pay for tuition for the year.
